Foundation

Time to hunt for some of your favourite Wolves players!

- 1.) Cut the line that says cut here and then cut around the individuals' photos
- 2.) Give the 5 player pictures to somebody in your house who can hide them
- 3.) Your job is to find where they've been hidden
- 4.) Once you've found all 5 Photos you must come back and match up the photos with the names and stick them on if you have a glue stick
