WELCOME

Welcome to Ruben Neves goals on the map.
Your task is to watch some of my “spectacular goals” attached and mark them on the map. There will be two types of tasks:

- 1: Find the logo of the team I scored against and locate them on the map.
- 2: Mark on the pitch where I scored the goal from, how many yards it was and what zone it was scored in.

You get 1pt for every correct answer.

**GOOD
LUCK!**

TASK 1

In order of 1-12 you must watch “my goals” and locate the logo from the previous screen and mark the number on the map where the logo should be.

E.G 1: Hull City

P.S.. There is one team that is not from England – do you know who it is and where they are from?

TASK 2

Well done in completing task No:1. Now you have the order that the goals were scored in and the logo's for each team, you must now identify what zone each goal was scored in marking it on the pitch with the name of the team and how many yards from goal it was.

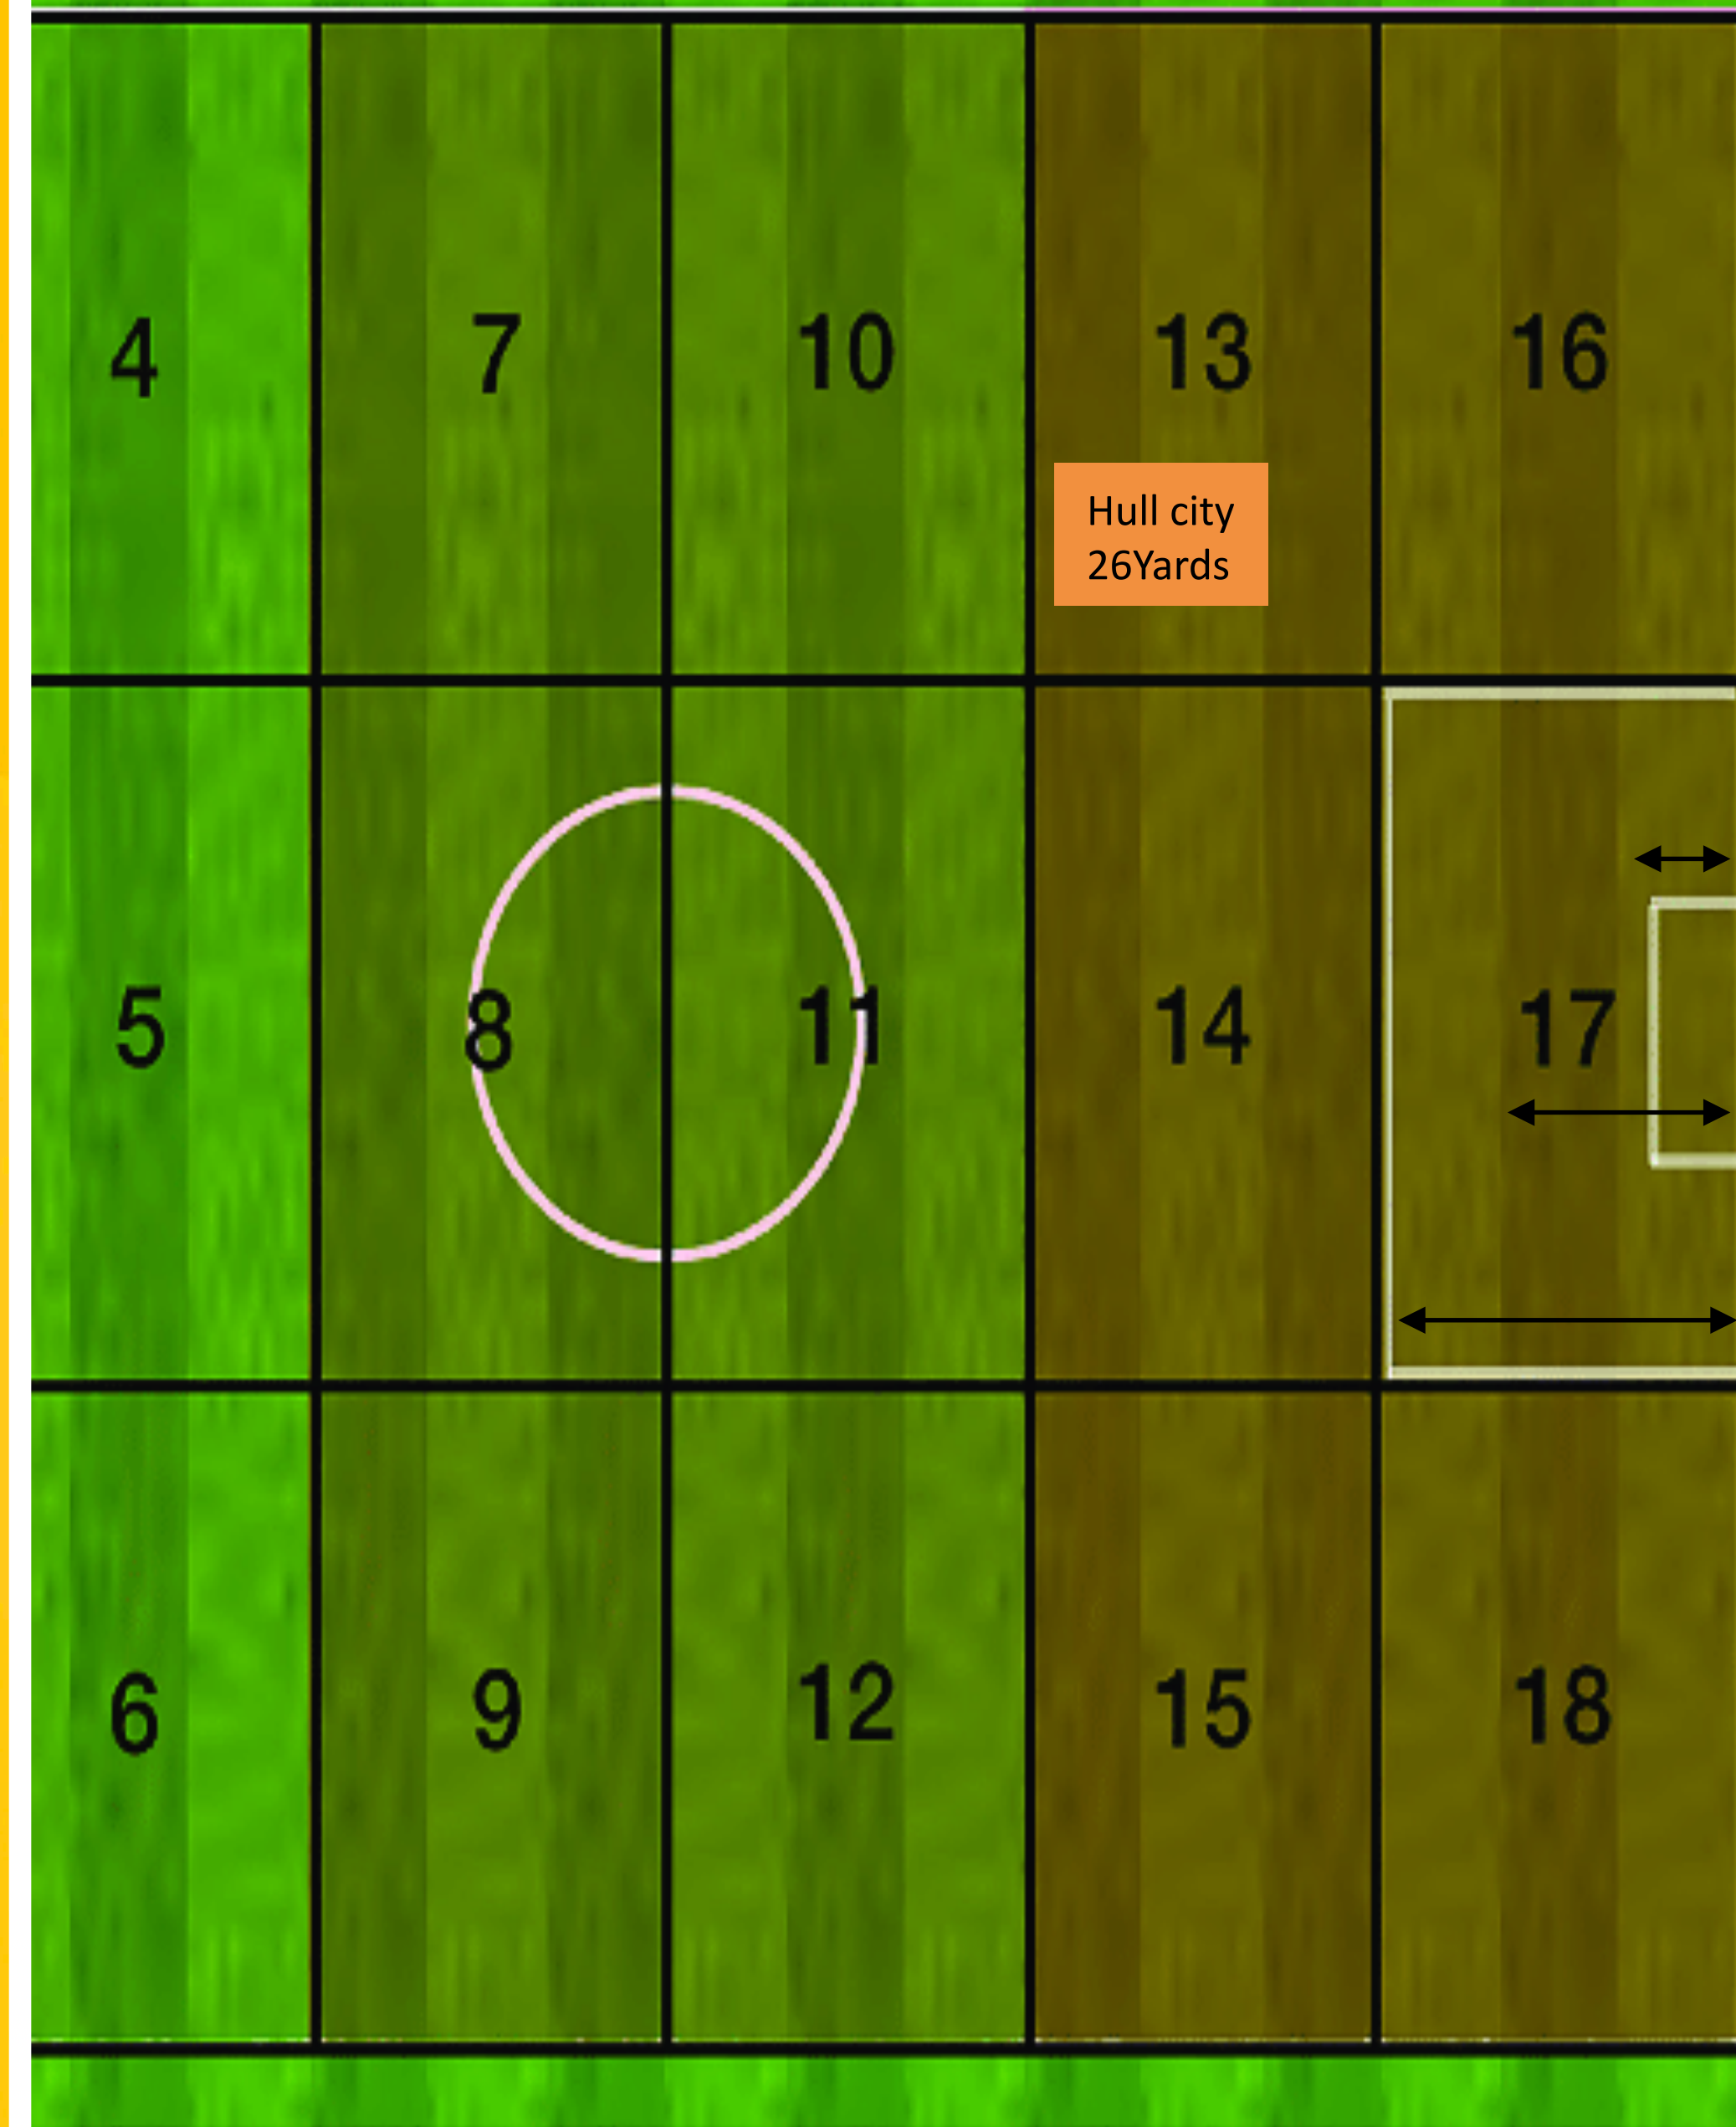

E.G 1:Hull City, Zone 13, 26 yards

Key:

6 Yards first box ↔

12 Yards Penalty Spot ↔

18 Yards second box ↔

Direction of play →

Super Effort,
WELL DONE!
