

Junior Activity:

BIG ART!

Find a large space somewhere in your house,
it could be your living room, a bedroom or your garden.

Using items you can find around the house spell out a big word on the floor.
It could be the name of your favourite Wolves player or NHS to say thank you to them.

Ask a parent or guardian to take a picture and email it to us at foundation@wolves.co.uk or post it on social media and tag @wwfcfoundation
