

After completing the education resources why not take the time to put your FIFA 20 skills to the test against other participants or Wolves staff.

A great way to socialise with Foundation staff and other PL Kicks participants and have the chance to win official Wolves prizes.

Every Friday and Saturday we will be hosting online FIFA sessions for young people ages 13-18. To register your interest email [lukeshearing@wolves.co.uk](mailto:lukeshearing@wolves.co.uk)
